

## STUDENT DECLARATION 2026 - 27

I hereby affirm that I have read and understood the terms and conditions stipulated for admission to the programs offered by Yenepoya (Deemed to be University). I consent to adhere to and abide by these terms as follows:

- I have registered for admission to a program of my choice after ensuring that I meet the **eligibility criteria** stipulated by the university. I understand that my admission is guaranteed based on the requisite percentile of scores, which will be determined by combining the scores of the mandatory entrance and qualifying examinations.
- I accept that the registration fee paid for the provisional admission process will be accounted for separately toward the entrance exam, eligibility assessment, and other facilities I am briefed on which are provided by the University.
- I understand that the **registration fee of Rs. 26000/- is not part of the tuition fee** payable at the time of admission. This fee reflects my expression of interest in securing admission to the program at Yenepoya (Deemed to be University).
- In the event that I do not qualify for admission, I understand that the University will refund the registration-cum-admission fee after deducting INR 2000/- towards the entrance examination and administrative charges. **All refunds will be processed November, 2026 onwards.**
- I understand that **NRI admissions** are limited to candidates who have passed the qualifying examination outside India. The program fee structure for NRI candidates shall be as per the University's notification and also should follow the mandatory registration process.
- Students enrolling in technology – based programs (such as Computer Application, Information Technology or related Courses) are required to possess their own personal laptop with necessary configuration as prescribed by the university.
- For a program with clinical training at collaborated hospitals, I agree to bear all expenses (including boarding, food and travel expenses) in addition to the registration and tuition fees payable to the University.
- I understand that as per NCAHP norms, appearing in **NEET is mandatory** to get admission for Bachelor of Physiotherapy (**BPT**) and Bachelor of Occupational Therapy (**BOT**) courses.
- I acknowledge that the **University offers scholarships** to meritorious candidates who achieve the requisite percentile of scores as per the scholarship policy notified by the University for **BCA and BBA Programs** only.
- I also understand that the **scholarship policy does not apply** to the following programs:
  - B.Sc Allied Health Science Programs
  - All B.Tech Programs
  - B.Sc Programs
  - PG Programs

**Note: Student loan facilities and easy instalment payment options are available for eligible candidates.**

## ABOUT Y-ENTRANCE

The Y-ENTRANCE is an entrance examination conducted by Yenepoya (Deemed to be University) to select candidates for admission to the undergraduate and postgraduate programs. The examination is designed to assess aptitude, critical reasoning, subject knowledge, and English proficiency. It is conducted online, which is AI proctored, ensuring accessibility for candidates from diverse locations. A user-friendly dedicated mobile app (Android and iOS) or an examination portal is available for the candidates. For postgraduate programs, the entrance exam focuses on candidate's professional attributes and logical reasoning.

### Conduct of examination

- **Mode of examination:** AI-proctored online examination, available on Android/iOS apps or through the Y-ENTRANCE exam portal.
- **Duration of the examination**
  - Undergraduate programs: 90 minutes.
  - Postgraduate programs: 60 minutes.
- **Structure of the examination**
  - Includes aptitude, critical reasoning, subject knowledge, and English proficiency sections for undergraduate programs based on stream-specific requirements.
  - For postgraduate programs, the examination shall focus on the professional attributes of the candidates for pursuing the program.
  - The exam consists of multiple sections. Each section shall have Multiple Choice Questions with 4 options and 1 correct answer carrying 1 mark each (No negative marking)
- **Re-examination Option**
  - Candidates may attempt the examination twice for score improvement.
  - Fee for the first attempt included in registration; subsequent attempts require additional fees of INR 500/-.
  - Best score from two attempts is considered for results.
- **Results:** Scores are announced based on examination performance and the marks obtained in the qualifying examination conducted by the recognized state/central Government bodies as per the eligibility criteria.
